

## **Industrial Technology Teacher Term 1 contract**

The Southport School is a leading Anglican Day and Boarding School for boys situated on the banks of the Nerang River in the heart of the Gold Coast. The Southport School (TSS) has been established for over 120 years and is committed to providing excellence in leadership, learning and teaching, pastoral care, and extra-curricular endeavours within a balanced, holistic Christian environment. The School has a vibrant boarding, academic, cultural and sporting program that extends across the full year and two campuses.

The Southport School is seeking a full-time **Teacher of Industrial Technology** (workshop) for a Term 1 contract.

With a timetable that will have you predominantly teaching Years 7- 10 in the workshop, we are seeking candidates with experience teaching woodworking with additional experience in laser cutting and/or epoxy resin beneficial.

We will consider applications from preservice teachers who are relational and have technical skills that they can share with students whilst being supported and mentored by our experienced staff.

All staff at TSS should be supportive of the Anglican Code of Conduct and stated values and Christian Ethos of the school. Candidates must be eligible for or hold current QCT registration or hold a valid Blue Card and be willing to provide a recent national criminal history check.

To apply please submit [online](#) a current CV and short cover letter that outlines your recent Industrial Technology teaching experience and approach to teaching boys in a workshop environment by **4pm Tuesday 19 November 2024**. Applications must be submitted online by the due date.
